Specification includes

Fiat steel high roof with 1.91M (75") of headroom.

Swivelling front seats with head restraints and arms.

Extremely versatile rear seating that quickly converts to a generous size double bed (79" x 54" max). With room to move from the cab to the rear without climbing over the bed. The main seat can easily be moved from the sideways settee position to form an alternative "dinette layout" with the seat facing forward. **Seat belts are optional for this position.** The bed can also be made from this position. There is an option for a 60" wide bed.

Large capacity storage under the rear seats.

Two LED downlighters for cab seats and two over the sliding side door. Two LED bedhead reading lights and one at rear of lounge. Three LED Strip lights for back ground lighting.

Additional rear speakers.

Wide electric step at the side loading door with warning buzzer.

Seating is covered with a high quality fabric of your choice selected from a wide range of sample books with different colours and patterns.

Two matching pillow size cushions and two scatter cushions.

Choice of carpet or vinyl flooring, worktops and door finishes.

Large locking strongbox beneath passenger seat.

Three Seitz S4 top hinged windows and one sliding windows in the lounge area; sliding window in the kitchen. All windows are double glazed with cassette blinds and flyscreens. Interior insulated covers for cab area. Heki 3 roof light with cassette roller blind and flyscreen.

High level angled lockers with lights on the righthand side. Over-cab storage. Large hanging wardrobe with light.

Two tables are provided one free standing table and a smaller cantilever leg for use in the cab when the seats are swivelled.

In the kitchen

Dometic RM8401 - 3-way, 90L fridge, with freezer compartment or a 12V 85L compressor fridge or a Dometic 5310 60L 3-way fridge all with a three burner hob and integrated flush lid with storage drawer. Option of a Smev 20L oven with grill at low level with a 85L compressor fridge or 60L, 3-way fridge. Option of an eye level Smev 20L oven with grill with 90L or 100L 3-way fridges.

Optional externally accessed rear storage area. Dimensions - 515mm (W) x 580mm (D) x 365mm (H) only available with a 65L compressor fridge - no low level oven or drawer option.

Combined sink and drainer fed with hot & cold water pumped from a 16 gallon inboard tank.

Generous high and low level cupboards housing a four place melamine crockery set, four glasses, slide-out tray with cutlery and chopping board. Waste bag holder.

One LED Strip light over the worktop and two spot lights, combined sink and drainer. LED Strip light over the hob and cooker.

12V ventilator fan with flyscreen.

Three double glazed windows with cassette blind and flyscreens

In the bathroom

Generous size fixed GRP washbasin with combined mixer tap with pull out shower head that will extend through rear access door for external use. Ample storage in cupboard under the washbasin and in the eye level lockers.

Dometic CT 4050 Ceramic bowl cassette toilet with electric flush-in. The cassette has an extending handle & wheels.

Hot air outlet. Door retaining catch.

Roof vent with integral blind and flyscreen.

Large mirror, shower curtain, toilet roll holder, soap dispenser.

Towel ring, toothbrush and mug holder and two coat hooks.

Full height rear access door to shower and toilet from outside.

LED Strip light with dual level output for background lighting.

Double glazed window with cassette blinds and flyscreens.

Robust GRP shower tray.

General equipment

10 Kg (25 litre) LPG underfloor gas tank with level indicator.

Diesel and mains powered Webasto Thermo Top Evo heater, 7Kw combined space and water heating system. The heating can be used whilst driving.

Variable burner technology allows stepless power output for stable temperature management with low noise and 12v power consumption. Rapid heat up of hot water with high capacity thermostatically controlled hot water.

Two heater outlets in the lounge area and one in the kitchen

Fully winterised for all the year round camping

Walls and ceiling are insulated with a 50mm thick layer of Knauf multi-layered insulation. Insulated floor. Semi rigid & insulated plumbing.

Mains hook-up with a 25 metre cable, UK & continental adaptors, heavy duty waterproof storage bag for cables etc.

Four 230v sockets, two 12v sockets & one double USB point.

12 volt control system:

- Victron BMV700 energy manager.
- Accurate fresh and waste water level indicators.
- Allows charging of vehicle battery when auxiliary batteries are being charged from mains or solar panel (if fitted).

Automatic built-in Victron Blue Power 30A switch-mode battery charger.

Two Haze 105AH Gel leisure auxiliary batteries.

10 gallon waste tank. Twelve interior lights.

A comprehensive Safety Pack comprising carbon monoxide detector, smoke detector, fire extinguisher, fire blanket, first aid kit, warning triangle & vehicle spare bulb kit.

Fiat Murvi Pimento XL

Price List with effect from January 2020

MURVI Pimento XL motorcaravan based on the "NEW" Fiat Ducato 35 (3,500kg GVW) LWB High Roof van with 2.3L 120 Multijet II Euro 6D TD, 6-speed gearbox, ABS, ESC, ASR, EBA, Hill hold, PAS, sliding side door, and full height hinged rear doors.

- Drivers and passengers airbags
- Remote central locking and electric windows
- Electrically adjustable door mirrors
- Electronic immobiliser and adjustable steering column
- Adjustable lumbar support for both front seats
- Height adjustment for front seats
- Fiat wheeltrims and side protection strips
- Tinted windows and high level brake light
- Deadlocks and Spare wheel
- Radio with SWC/BT/USB/Aux input. Day running lights
- EcoPack (Start/Stop) 75L Fuel tank

Specification includes

Fiat steel high roof with 1.91M (75") of headroom.

Swivelling front seats with head restraints and arms.

Extremely versatile rear seating that quickly converts to a generous size double bed (79" x 54" max). With room to move from the cab to the rear without climbing over the bed. The main seat can easily be moved from the sideways settee position to form an alternative "dinetto layout" with the seat facing forward. **Seat belts are optional for this position.** The bed can also be made from this position. There is an option for a 60" wide bed.

Large capacity storage under the rear seats.

Two LED downlighters for cab seats and two over the sliding side door. Two LED bedhead reading lights and one at rear of lounge. Three LED Strip lights for back ground lighting. Additional rear speakers.

Wide electric step at the side loading door with warning buzzer.

Seating is covered with a high quality fabric of your choice selected from a wide range of sample books with different colours and patterns. Two matching pillow size cushions

Choice of carpet or vinyl flooring, worktops and door finishes.

Large locking strongbox beneath passenger seat.

Three Seitz S4 top hinged windows and one sliding windows in the lounge area; sliding window in the kitchen. All windows are double glazed with cassette blinds and flyscreens. Interior insulated covers for cab area. Heki 3 roof light with cassette roller blind and flyscreen.

High level angled lockers with lights on the righthand side. Over-cab storage. Large hanging wardrobe with light.

Two tables are provided one free standing table and a smaller cantilever leg for use in the cab when the seats are swivelled.

Option of a reduced depth wardrobe (if a TV is specified a smaller Avtex L168DRS has to be fitted)

In the kitchen

Dometic RM8401 - 3-way, 90L fridge, with freezer compartment or a 12V 85L compressor fridge or a Dometic 5310 60L 3-way fridge all with a three burner hob and integrated flush lid with storage drawer. Option of a Smev 20L oven with grill at low level with a 85L compressor fridge or 60L, 3-way fridge. Option of an eye level Smev 20L oven with grill with 90L or 100L 3-way fridges.

Optional externally accessed rear storage area. Dimensions - 515mm (W) x 580mm (D) x 365mm (H) only available with a 65L compressor fridge - no low level oven or drawer option.

Combined sink and drainer fed with hot & cold water pumped from a 16 gallon inboard tank.

Generous high and low level cupboards housing a four place melamine crockery set, four glasses, slide-out tray with cutlery and chopping board. Waste bag holder.

One LED Strip light and two spot lights over the worktop, combined sink and drainer. LED Strip light over the hob and cooker.

12V ventilator fan with flyscreen.

Three double glazed windows with cassette blind and flyscreens

In the bathroom

Generous size fixed GRP washbasin with combined mixer tap with pull out shower head. Ample storage in cupboard under the washbasin and in the eye level lockers.

Dometic CT 4050 Ceramic bowl cassette toilet with electric flushing. The cassette has an extending handle & wheels.

Hot air outlet. Door retaining catch.

Roof vent with integral blind and flyscreen.

Large mirror, shower curtain, toilet roll holder, soap dispenser.

Towel ring, toothbrush and mug holder and two coat hooks.

Full height rear access door to shower and toilet from outside.

LED Strip light with dual level output for background lighting.

Robust GRP shower tray.

General equipment

10 Kg (25 litre) LPG underfloor gas tank with level indicator.

Diesel and mains powered Webasto Thermo Top Evo heater, 7Kw combined space and water heating system. The heating can be used whilst driving.

Variable burner technology allows stepless power output for stable temperature management with low noise and 12v power consumption. Rapid heat up of hot water with high capacity thermostatically controlled hot water.

Two heater outlets in the lounge area and one in the kitchen

Fully winterised for all the year round camping

Walls and ceiling are insulated with a 50mm thick layer of Knauf multi-layered insulation. Insulated floor. Semi rigid & insulated plumbing.

Mains hook-up with a 25 metre cable, UK & continental adaptors, heavy duty waterproof storage bag for cables etc.

Four 230v sockets, two 12v sockets & one double USB point.

12 volt control system:

- Victron BMV700 energy manager.
- Accurate fresh and waste water level indicators.
- Allows charging of vehicle battery when auxiliary batteries are being charged from mains or solar panel (if fitted).

Automatic built-in Victron Blue Power 30A switch-mode battery charger.

Two Haze 105AH Gel leisure auxiliary batteries.

10 gallon waste tank. Twelve interior lights.

A comprehensive Safety Pack comprising carbon monoxide detector, smoke detector, fire extinguisher, fire blanket, first aid kit, warning triangle & vehicle spare bulb kit.

Externally accessed "floor to ceiling" storage area, accessed through the drivers side rear door with adjustable shelving and two lights.

Storage area dimensions:

900mm (W) x 680mm (D) x 1720mm (H)

MURVI Meteor based on Volkswagen T6 T30 Startline SWB Panel Van (3,000kg GVW) with 2.0 TDI 102PS Euro 6d, 5-speed gearbox, ABS, ESP, EBD, EDL, sliding side door, tailgate with wash/wipe and heated rear window. The specification includes:

- Driver & passenger airbags
- Remote central locking, electric windows and deadlocks
- Electronic engine immobiliser & Hill hold control
- Front seat armrests and lumbar supports
- Tinted windows and high level brake light
- Volkswagen wheel trims.TPMS.
- DAB+ Rad/CD with BT, USB & aux input
- Electrically adjustable & heated wing mirrors
- Height & rake adjustable steering column
- Full tank of diesel

Specification includes

Fixed Roof with 1.40M of headroom, Elevating Roof with 1.46M of headroom when closed.

Volkswagen swivelling, reclining front seats with head restraints and adjustable arms.

The rear seat has headrests and incorporates inertia reel seat belts for two passengers. The seat base and back folds down to form a comfortable double bed (73" x 64" max).

The seat and backrest are ergonomically shaped for comfort. In addition there is a large storage area under the seat. The bed extension forms a parcel shelf with storage room beneath it.

All the seating is covered with a high quality fabric of your choice selected from a huge range of sample books with different colours and patterns.

Two matching pillow size cushions.

Choice of carpet or vinyl for the floor.

Privacy glass. One sliding tinted fixed window in the sliding side door and one fixed window in the opposite panel (drivers side). Fixed windows in the rear all with thermally lined curtains.

A stylish unit containing a combined sink, drainer and two burner hob with automatic ignition, flame failure safety cut-out and integrated glass lid, a cutlery and crockery drawer, 12V 85L Compressor fridge or a Dometic RM5310, 60L, 3 way, fridge and ample storage lockers including one suitable for a portable flushing toilet. The unit houses a four place melamine crockery set and chopping board. A removable, sliding side-hinged table travels the length of the unit.

General equipment

Ventilated gas locker for two Camping Gaz gas cylinders.

10 gallon fresh water tank with 12V pump. An accurate fresh and waste water level gauge. 6.5 gallon waste tank. Semi-rigid plumbing.

Mains hook-up facility with 25 metres of cable, an RCD, two switched socket outlets. NDS Powerservice Gold M40 - 20A switch-mode battery charger. NDS iManager battery manager.

Haze 105AH GEL leisure auxiliary battery.

Interior insulated covers for cab. Hinged rear storage shelf - only with Elevating Roof. Nine LED interior lights.

A comprehensive Safety Pack comprising of a carbon monoxide detector, smoke detector, fire extinguisher, fire blanket, first aid kit, warning triangle & vehicle spare bulb kit.

 Email: sales@murvi.co.uk Web site: www.murvi.co.uk

MURVI Morello motorcaravan based on Mercedes Benz 316CDI Sprinter EU6 (3500Kg GVW) MWB high roof van L2H2 with 2.2L (163 BHP) Euro6-d with 6-speed gearbox, ABS/ ASR/ ESP, power assisted steering, sliding side door, full height hinged rear doors.

- Drivers and passengers airbags - Stop/Start
- Remote central locking and Electric windows
- Anti-theft Protection Package
- Multi-function steering wheel with trip computer
- Cruise control - Speedtronic variable speed limiter
- MBUX Multimedia system with 7" screen
- Adjustable steering wheel, headlight assist
- Hinge lid for dash centre storage, Full tank of diesel
- Cross Wind Assist, Hill-Start Assist, Adaptive brake light
- Spare wheel, Mercedes wheel trims

Specification includes:

Mercedes steel high roof with 1.9M (74.5") of headroom. Swivel-front seats with head restraints and arms.

Extremely versatile rear seating that quickly converts to a generous size double bed (76" x 54" max) - with room to move from the cab to the rear without climbing over the bed. The main seat can easily be moved from the sideways settee position to form an alternative "dinetto layout" with the seat facing forward. Seat belts are optional for this position. The bed can also be made from this position.

Large capacity storage under rear seats.

Two LED downlighters for cab seats and two over the sliding side door. One adjustable LED bedhead reading light and one at rear of lounge. Three LED Strip lights with dual level output for background lighting. Additional rear speakers.

All seating is covered with a high quality fabric of your choice selected from a wide range of sample books with different colours and patterns.

Two matching pillow size cushions and two cushions.

Choice of carpet or vinyl flooring, work top finishes and door finishes.

In the lounge area there are three Seitz S4 double glazed windows with cassette blinds and flyscreens. Single sliding Seitz S4 double glazed window with integral blind and flyscreen in the kitchen area. Heki 3 roof light with cassette blind and flyscreen. Interior insulated covers for cab area.

High level angled lockers with recessed lights below, on the right-hand side. Generous overcab storage.

Large hanging wardrobe with light.

Two tables are provided - one free standing table and a smaller cantilever leg for use in the cab when the seats are swivelled.

In the kitchen

Dometic RM8401 - 3-way, 90L fridge, with freezer compartment or a 12V 85L compressor fridge or a Dometic 5310 60L 3-way fridge all with a three burner hob and integrated flush lid with storage drawer. Option of a Smev 20L oven with grill at low level with a 85L compressor fridge or 60L, 3-way fridge.

Optional externally accessed rear storage area. Dimensions - 515mm (W) x 580mm (D) x 365mm (H) only available with a 65L compressor fridge - no low level oven or drawer option.

Sink fed with hot & cold water pumped from a 16 gallon inboard tank.

Generous high and low level cupboards housing a four place melamine crockery set, four glasses, slide-out tray with cutlery and chopping board. Waste bag holder.

One LED Strip light and two spot lights over the worktop, Smev Compact sink. A further LED Strip light over the hob and cooker.

12V ventilator fan with flyscreen.

Double glazed window with cassette blinds and flyscreens..

In the bathroom

Generous size fixed GRP washbasin with combined mixer tap with pull out shower head that will extend through rear access door for external use. Ample storage in cupboard under the washbasin and in the eye level lockers.

Dometic CT 4050 Ceramic bowl cassette toilet with electric flushing. The cassette has an extending handle & wheels.

Hot air outlet. Door retaining catch.

Roof vent with integral blind and flyscreen.

Large mirror, shower curtain, toilet roll holder, soap dispenser.

Towel ring, toothbrush and mug holder, two coat hooks.

Full height rear access door to shower and toilet from outside.

LED Strip light with dual level output for background lighting.

Double glazed window with cassette blinds and flyscreens..

Robust GRP shower tray.

General equipment

12 Kg LPG (30 litres) underfloor gas tank with level indicator.

Diesel and mains powered Webasto Thermo Top Evo heater, 7Kw combined space and water heating system. The heating can be used whilst driving.

Variable burner technology allows stepless power output for stable temperature management with low noise and 12v power consumption. Rapid heat up of hot water with high capacity thermostatically controlled hot water.

Two heater outlets in the lounge area and one in the kitchen

Fully winterised for all the year round camping

Walls and ceiling are insulated with a 50mm thick layer of Knauf multi-layered insulation. Insulated floor. Semi rigid & insulated plumbing.

Mains hook-up with a 25 metre cable, UK & continental adaptors, heavy duty waterproof storage bag for cables etc.

Four 230v sockets, two 12v sockets & one double USB point.

12 volt control system:

- NDS iManager battery manager
- Accurate fresh and waste water level indicators.
- Allows charging of vehicle battery when auxiliary batteries are being charged from mains or solar panel (if fitted).

NDS Powerservice Gold 40M - 20A Switch-mode battery charger.

Two Haze 105AH Gel leisure auxiliary batteries.

10 gallon waste tank. Twelve interior lights.

A comprehensive Safety Pack comprising carbon monoxide detector, smoke detector, fire extinguisher, fire blanket, first aid kit, warning triangle & vehicle spare bulb kit.

MURVI Pimento motorcaravan based on the "NEW" Fiat Ducato 35 (3,500kg GVW) MWB High Roof van with 2.3L 120 Multijet II Euro 6D TD, 6-speed gearbox, ABS, ESC, ASR, EBA, Hill hold, PAS, sliding side door and hinged full height rear doors.

- Drivers and passengers airbags
- Remote central locking and electric windows
- Electrically adjustable door mirrors
- Electronic immobiliser and adjustable steering column
- Adjustable lumbar support for both front seats
- Height adjustment for front seats
- Fiat wheeltrims and side protection strips
- Tinted windows and high level brake light
- Deadlocks and Spare wheel
- Radio with SWC/BT/USB/Aux input. Day running lights
- EcoPack (Start/Stop) 75L Fuel tank

Specification includes

Fiat steel high roof with 1.91M (75") of headroom.

Reclining, swivelling front seats with head restraints and arms.

Extremely versatile rear seating that quickly converts to a generous size double bed (76" x 54" max). With room to move from the cab to the rear without climbing over the bed. The main seat can easily be moved from the sideways settee position to form an alternative "dinette layout" with the seat facing forward. **Seat belts are optional for this position.** The bed can also be made from this position. There is an option for a 60" wide bed.

Large capacity storage under the rear seat.

Two LED downlighters for cab seats and two over the sliding side door. Two adjustable LED bedhead reading lights and one at rear of lounge. Two LED Strip lights with dual level output for background lighting. Additional rear speakers.

Wide electric step at the side loading door with warning buzzer.

All the seating is covered with a high quality fabric of your choice selected from a huge range of sample books with different colours and patterns.

Choice of carpet or vinyl flooring, work tops and door finishes.

Large locking strongbox beneath passenger seat.

Two wide Seitz S4 top hinged windows in the lounge area; sliding window in the kitchen. All windows are double glazed with cassette blinds and flyscreens. Interior insulated covers for cab area. Heki 3 roof light with cassette roller blind and flyscreen.

High level angled lockers with lights below, on the righthand side. Overcab storage. Large hanging wardrobe with light.

Two tables are provided - one free standing table and a smaller cantilever leg for use in the cab when the seats are swivelled.

Option of a reduced depth wardrobe (if a TV is specified a smaller Avtex L168DRS has to be fitted)

In the kitchen

Dometic RM8401 - 3-way, 90L fridge, with freezer compartment or a 12V 85L compressor fridge or a Dometic 5310 60L 3-way fridge all with a three burner hob and integrated flush lid with storage drawer. Option of a Smev 20L oven with grill at low level with a 85L compressor fridge or 60L, 3-way fridge. Option of an eye level Smev 20L oven with grill with 90L or 100L 3-way fridges.

Optional externally accessed rear storage area. Dimensions - 515mm (W) x 580mm (D) x 365mm (H) only available with a 65L compressor fridge - no low level oven or drawer option.

Combined sink and drainer fed with hot & cold water pumped from a 16 gallon inboard tank.

Generous high and low level cupboards housing a four place melamine crockery set, slide-out tray with cutlery and chopping board. Waste bag holder.

One LED Strip light and one spot light over the worktop and a further LED Strip light over the hob and cooker.

12V ventilator fan with flyscreen.

Two Double glazed windows with cassette blind and flyscreens

In the bathroom

Generous size fixed GRP washbasin with combined mixer tap with pull out shower head that will extend through rear access door for external use. Ample storage in cupboard under the washbasin and in the eye level lockers.

Dometic CT 4050 Ceramic bowl cassette toilet with electric flushing. The cassette has an extending handle & wheels.

Hot air outlet. Door retaining catch.

Roof vent with integral blind and flyscreen.

Large mirror, shower curtain, toilet roll holder & soap dispenser.

Towel ring, toothbrush and mug holder & two coat hooks.

Full height rear access door to shower and toilet from outside.

LED Strip light with dual level output for background lighting.

Double glazed window with cassette blinds and flyscreens.

Robust GRP shower tray.

General equipment

10 Kg (25 litre) LPG underfloor gas tank with level indicator.

Diesel and mains powered Webasto Thermo Top Evo heater, 7Kw combined space and water heating system. The heating can be used whilst driving.

Variable burner technology allows stepless power output for stable temperature management with low noise and 12v power consumption. Rapid heat up of hot water with high capacity thermostatically controlled hot water.

Two heater outlets in the lounge area and one in the kitchen

Fully winterised for all the year round camping

Walls and ceiling are insulated with a 50mm thick layer of Knauf multi-layered insulation. Insulated floor. Semi rigid & insulated plumbing.

Mains hook-up with a 25 metre cable, UK & continental adaptors, heavy duty waterproof storage bag for cables etc.

Four 230v sockets, two 12v sockets & one double USB point.

12 volt control system:

- Victron BMV700 energy manager.
- Accurate fresh and waste water level indicators.
- Allows charging of vehicle battery when auxiliary batteries are being charged from mains or solar panel (if fitted).

Victron Blue Power 30A switch-mode battery charger.

Two Haze 105AH Gel leisure auxiliary batteries.

10 gallon waste tank. Twelve interior lights.

A comprehensive Safety Pack comprising carbon monoxide detector, smoke detector, fire extinguisher, fire blanket, first aid kit, warning triangle & vehicle spare bulb kit.

MURVI Pimento motorcaravan based on the NEW Ford Transit 35 Leader (3,500kg GVW) MWB L2H2 High Roof van in White with 2.0L Ford EcoBlue TDCi 105PS EU6d, FWD, 6-speed gearbox, ABS, ESP, EDCC, ASR, MBA, Hill start assist, PAS, sliding side door and hinged full height rear doors.

- Drivers and passengers airbags
- Remote central locking and electric windows
- Ford ICE pack 17 - 4.2" M/S TFT DAB/Radio - E/modem
- Electronic immobiliser and adjustable steering column
- 8-way adjustable front seats
- Day running lights and rear mudflaps
- Ford wheeltrims and side protection strips
- Tinted windows and high level brake light
- Deadlocks and Spare wheel
- Full tank of diesel

Specification includes

Headroom with FWD 1.86M (73"Max). AWD or RWD 1.78M (5' 10"Max). See H3 higher roof option.

Swivelling front seats with head restraints and arms.

Extremely versatile rear seating that quickly converts to a generous size double bed (75" x 54" max). With room to move from the cab to the rear without climbing over the bed. The main seat can easily be moved from the sideways settee position to form an alternative "dinetto layout" with the seat facing forward. **Seat belts are optional for this position.** The bed can also be made from this position.

Large capacity storage under the rear seat.

Locking strongbox beneath passenger seat.

Two LED downlighters for cab seats and two over the sliding side door. Two adjustable LED bedhead reading lights and one at rear of lounge. Two LED Strip lights with dual level output for background lighting. Additional rear speakers.

Wide electric step at the side loading door with warning buzzer.

All the seating is covered with a high quality fabric of your choice selected from a huge range of sample books with different colours and patterns. Two matching pillow size cushions.

Choice of carpet or vinyl flooring, work tops and door finishes.

Large locking strong box under passengers seat.

Two wide Seitz S4 top hinged windows in the lounge area; sliding window in the kitchen. All windows are double glazed with cassette blinds and flyscreens. Cab windscreen curtain.

Midi Heki roof light with cassette roller blind and flyscreen.

High level angled lockers with lights below, on the righthand side. Large hanging wardrobe with light.

Two tables are provided one free standing table and a smaller cantilever leg for use in the cab when the seats are swivelled.

Option of a reduced depth wardrobe (if a TV is specified a smaller Avtex L168DRS has to be fitted)

In the kitchen

Dometic RM8401 - 3-way, 90L fridge, with freezer compartment or a 12V 85L compressor fridge or a Dometic 5310 60L 3-way fridge all with a three burner hob and integrated flush lid with storage drawer. Option of a Smev 20L oven with grill at low level with a 85L compressor fridge or 60L, 3-way fridge (**Low level 20L oven & grill is only available with Front Wheel Drive - FWD**). Storage drawer only available with FWD.

Optional externally accessed rear storage area. Dimensions - 515mm (W) x 580mm (D) x 365mm (H) only available with a 65L compressor fridge - no low level oven or drawer option.

Combined sink and drainer fed with hot & cold water pumped from a 16 gallon inboard tank.

Generous high and low level cupboards housing a four place melamine crockery set, slide-out tray with cutlery and chopping board. Waste bag holder.

One LED Strip light and one LED down light over the worktop, combined sink and drainer. LED Strip light over the hob and cooker.

12V ventilator fan with flyscreen.

Two double glazed windows with cassette blinds and flyscreens.

In the bathroom

Generous size fixed GRP washbasin with combined mixer tap with pull out shower head that will extend through rear access door for external use. Ample storage in cupboard under the washbasin and in the eye level lockers.

Dometic CT 4050 Ceramic bowl cassette toilet with electric flushing. The cassette has an extending handle & wheels.

Hot air outlet. Door retaining catch.

Roof vent with integral blind and flyscreen.

Large mirror, shower curtain, toilet roll holder & soap dispenser.

Towel ring, toothbrush and mug holder & two coat hooks.

Full height rear access door to shower and toilet from outside.

LED Strip light with dual level output for background lighting.

Double glazed window with cassette blinds and flyscreens.

Robust GRP shower tray.

General equipment

12 Kg (30 litre) LPG underfloor gas tank with level indicator. Gas tank capacity for AWD or RWD 10Kg (25 litre)

Diesel and mains powered Webasto Thermo Top Evo heater, 7Kw combined space and water heating system. The heating can be used whilst driving.

Variable burner technology allows stepless power output for stable temperature management with low noise and 12v power consumption. Rapid heat up of hot water with high capacity thermostatically controlled hot water.

Two heater outlets in the lounge area and one in the kitchen

Fully winterised for all the year round camping

Walls and ceiling are insulated with a 50mm thick layer of Knauf multi-layered insulation. Insulated floor. Semi rigid & insulated plumbing.

Mains hook-up with a 25 metre cable, UK & continental adaptors, heavy duty waterproof storage bag for cables etc.

Four 230v sockets, one 12v socket & two double USB points.

12 volt control system:

- NDS iManager battery manager.
- Accurate fresh and waste water level indicators.
- Allows charging of vehicle battery when auxiliary batteries are being charged from mains or solar panel (if fitted).

NDS Powerservice Gold M40 - 20A switch-mode battery charger.

Two Haze 105AH Gel leisure auxiliary batteries.

10 gallon waste tank. Twelve interior lights.

A comprehensive Safety Pack comprising carbon monoxide detector, smoke detector, fire extinguisher, fire blanket, first aid kit, warning triangle & vehicle spare bulb kit.

MURVI Pimento XL motorcaravan based on the NEW Ford Transit 35 Leader (3,500kg GVW) LWB L3H2 High Roof van in White with 2.0L Ford EcoBlue TDCi 105PS EU6d, FWD, 6-speed gearbox, ABS, ESP, EDCC, ASR, MBA, Hill start assist, PAS, sliding side door and hinged full height rear doors.

- Drivers and passengers airbags
- Remote central locking and electric windows
- Ford ICE pack 17 - 4.2" M/S TFT DAB Radio with E/modem
- Electronic immobiliser and adjustable steering column
- 8-way adjustable front seats
- Day running lights and rear mudflaps
- Ford wheeltrims and side protection strips
- Tinted windows and high level brake light
- Deadlocks and Spare wheel
- Full tank of diesel

Specification includes

Headroom with FWD 1.86M (73"Max) headroom. AWD or RWD 1.78M (5' 10"Max) headroom. See H3 higher roof option.

Swivelling front seats with head restraints and arms.

Extremely versatile rear seating that quickly converts to a generous size double bed (75" x 54" max). With room to move from the cab to the rear without climbing over the bed. The main seat can easily be moved from the sideways settee position to form an alternative "dinette layout" with the seat facing forward. **Seat belts are optional for this position.** The bed can also be made from this position. Large capacity storage under the rear seat.

Two LED downlighters for cab seats and two over the sliding side door. Two adjustable LED bedhead reading lights. Two LED Strip lights for back ground lighting.

Wide electric step with warning buzzer. Additional rear speakers.

All seating is covered with a high quality fabric of your choice selected from a wide range of sample books with different colours and patterns. Two matching pillow size cushions and two scatter cushions.

Choice of carpet or vinyl flooring, worktops and door finishes.

Large locking strong box under passengers seat.

Two Seitz S4 top hinged windows in the lounge area; sliding window in the kitchen. All windows are double glazed with cassette blinds and flyscreens. Cab windscreen curtain. Midi Heki roof light with cassette roller blind and flyscreen.

High level angled lockers with lights on the righthand side. Large hanging wardrobe with light.

Two tables are provided - one free standing table and a smaller cantilever leg for use in the cab when the seats are swivelled.

Option of a reduced depth wardrobe (if a TV is specified a smaller Avtex L168DRS has to be fitted)

In the kitchen

Dometic RM8401 - 3-way, 90L fridge, with freezer compartment or a 12V 85L compressor fridge or a Dometic 5310 60L 3-way fridge all with a three burner hob and integrated flush lid with storage drawer. Option of a Smev 20L oven with grill at low level with a 85L compressor fridge or 60L, 3-way fridge (**Low level 20L oven only available with Front Wheel Drive - FWD**).

Optional externally accessed rear storage area. Dimensions - 515mm (W) x 580mm (D) x 365mm (H) only available with a 65L compressor fridge - no low level oven or drawer option.

Combined sink and drainer fed with hot & cold water pumped from a 16 gallon inboard tank.

Generous high and low level cupboards housing a four place melamine crockery set, four glasses, slide-out tray with cutlery and chopping board. Waste bag holder.

One LED Strip light and two spot lights over the worktop, combined sink and drainer. LED Strip light over the hob and cooker. 12V ventilator fan with flyscreen.

Three double glazed windows with cassette blinds and flyscreens.

In the bathroom

Generous size fixed GRP washbasin with mixer tap with pull out shower head. Ample storage in cupboard under the washbasin and in the eye level lockers.

Dometic CT 4050 Ceramic bowl cassette toilet with electric flushing. The cassette has an extending handle & wheels.

Hot air outlet. Door retaining catch.

5-way roof vent with integral blind and flyscreen.

Large mirror, shower curtain, toilet roll holder, soap dispenser.

Towel ring, toothbrush and mug holder and two coat hooks.

LED Strip light with dual level output for background lighting.

Robust GRP shower tray.

General equipment

12 Kg (30 litre) LPG underfloor gas tank with level indicator. Gas tank capacity for AWD or RWD 10Kg (25 litre)

Diesel and mains powered Webasto Thermo Top Evo heater, 7Kw combined space and water heating system. The heating can be used whilst driving.

Variable burner technology allows stepless power output for stable temperature management with low noise and 12v power consumption. Rapid heat up of hot water with high capacity thermostatically controlled hot water.

Two heater outlets in the lounge area and one in the kitchen

Fully winterised for all the year round camping

Walls and ceiling are insulated with a 50mm thick layer of Knauf multi-layered insulation. Insulated floor. Semi rigid & insulated plumbing.

Mains hook-up with a 25 metre cable, UK & continental adaptors, heavy duty waterproof storage bag for cables etc.

Four 230v sockets, two 12v sockets & one double USB point.

12 volt control system:

- NDS iManager battery manager.
- Accurate fresh and waste water level indicators.
- Allows charging of vehicle battery when auxiliary batteries are being charged from mains or solar panel (if fitted).

NDS Powerservice Gold M40 - 20A switch-mode battery charger.

Two Haze 105AH Gel leisure auxiliary batteries.

10 gallon waste tank. Twelve interior lights.

A comprehensive Safety Pack comprising carbon monoxide detector, smoke detector, fire extinguisher, fire blanket, first aid kit, warning triangle & vehicle spare bulb kit.

Externally accessed "floor to ceiling" storage area, accessed through the drivers side rear door with adjustable shelving and two LED lights.

Storage area dimensions:

770mm (W) x 550mm (D) x 1770mm (H)

MURVI Morello motorcaravan based on the "NEW" Peugeot Boxer S 335 (3,500kg GVW) L3H2 (LWB) High Roof van with 2.2L Blue HDi 140 TD, 6-speed gearbox, ABS, ESC, ASR, EBA, Hill hold, PAS, sliding side door, and full height hinged rear doors.

- Drivers and passengers airbags
- Remote central locking and electric windows
- Electrically adjustable door mirrors
- Electronic immobiliser and adjustable steering column
- Adjustable lumbar support for both front seats
- Height adjustment for front seats
- Peugeot wheeltrims and side protection strips
- Tinted windows and high level brake light
- Deadlocks and Spare wheel
- Radio with SWC/BT/USB/Aux input. Day running lights
- Full tank of diesel

Specification includes

Peugeot steel high roof with 1.91M (75") of headroom.

Swivelling front seats with head restraints and arms.

Extremely versatile rear seating that quickly converts to a generous size double bed (79" x 54" max). With room to move from the cab to the rear without climbing over the bed. The main seat can easily be moved from the sideways settee position to form an alternative "dinette layout" with the seat facing forward. **Seat belts are optional for this position.** The bed can also be made from this position. There is an option for a 60" wide bed.

Large capacity storage under the rear seats.

Two LED downlighters for cab seats and two over the sliding side door. Two LED bedhead reading lights and one at rear of lounge. Three LED Strip lights for back ground lighting.

Additional rear speakers.

Wide electric step at the side loading door with warning buzzer.

Seating is covered with a high quality fabric of your choice selected from a wide range of sample books with different colours and patterns.

Two matching pillow size cushions and two scatter cushions.

Choice of carpet or vinyl flooring, worktops and door finishes.

Large locking strongbox beneath passenger seat.

Three Seitz S4 top hinged windows and one sliding windows in the lounge area; sliding window in the kitchen. All windows are double glazed with cassette blinds and flyscreens. Interior insulated covers for cab area. Heki 3 roof light with cassette roller blind and flyscreen.

High level angled lockers with lights on the righthand side. Over-cab storage. Large hanging wardrobe with light.

Two tables are provided one free standing table and a smaller cantilever leg for use in the cab when the seats are swivelled.

In the kitchen

Dometic RM8401 - 3-way, 90L fridge, with freezer compartment or a 12V 85L compressor fridge or a Dometic 5310 60L 3-way fridge all with a three burner hob and integrated flush lid with storage drawer. Option of a Smev 20L oven with grill at low level with a 85L compressor fridge or 60L, 3-way fridge. Option of an eye level Smev 20L oven with grill with 90L or 100L 3-way fridges.

Optional externally accessed rear storage area. Dimensions - 515mm (W) x 580mm (D) x 365mm (H) only available with a 65L compressor fridge - no low level oven or drawer option.

Combined sink and drainer fed with hot & cold water pumped from a 16 gallon inboard tank.

Generous high and low level cupboards housing a four place melamine crockery set, four glasses, slide-out tray with cutlery and chopping board. Waste bag holder.

One LED Strip light and two spot lights over the worktop, combined sink and drainer. LED Strip light over the hob and cooker.

12V ventilator fan with flyscreen.

Three double glazed windows with cassette blind and flyscreens

In the bathroom

Generous size fixed GRP washbasin with combined mixer tap with pull out shower head that will extend through rear access door for external use. Ample storage in cupboard under the washbasin and in the eye level lockers.

Dometic CT 4050 Ceramic bowl cassette toilet with electric flush-in. The cassette has an extending handle & wheels.

Hot air outlet. Door retaining catch.

5-way roof vent with integral blind and flyscreen.

Large mirror, shower curtain, toilet roll holder, soap dispenser.

Towel ring, toothbrush and mug holder and two coat hooks.

Full height rear access door to shower and toilet from outside.

LED Strip light with dual level output for background lighting.

Double glazed window with cassette blinds and flyscreens.

Robust GRP shower tray.

General equipment

10 Kg (25 litre) LPG underfloor gas tank with level indicator.

Diesel and mains powered Webasto Thermo Top Evo heater, 7Kw combined space and water heating system. The heating can be used whilst driving.

Variable burner technology allows stepless power output for stable temperature management with low noise and 12v power consumption. Rapid heat up of hot water with high capacity thermostatically controlled hot water.

Two heater outlets in the lounge area and one in the kitchen

Fully winterised for all the year round camping

Walls and ceiling are insulated with a 50mm thick layer of Knauf multi-layered insulation. Insulated floor. Semi rigid & insulated plumbing.

Mains hook-up with a 25 metre cable, UK & continental adaptors, heavy duty waterproof storage bag for cables etc.

Four 230v sockets, two 12v sockets & one double USB point.

12 volt control system:

- Victron BMV700 energy manager.
- Accurate fresh and waste water level indicators.
- Allows charging of vehicle battery when auxiliary batteries are being charged from mains or solar panel (if fitted).

Automatic built-in Victron Blue Power 30A switch-mode battery charger.

Two Haze 105AH Gel leisure auxiliary batteries.

10 gallon waste tank. Twelve interior lights.

A comprehensive Safety Pack comprising carbon monoxide detector, smoke detector, fire extinguisher, fire blanket, first aid kit, warning triangle & vehicle spare bulb kit.

MURVI Morocco XL motorcaravan based on the "NEW" Peugeot Boxer 435 Professional L4H2 (3,500kg GVW) High Roof van with 2.2L Blue HDi 140 TD, 6-speed gearbox, ABS, ESC, ASR, EBA, Hill hold, PAS, sliding side door, and full height hinged rear doors.

- Drivers and passengers airbags
- Remote central locking and electric windows
- Electrically adjustable and heated door mirrors
- Electronic engine immobiliser
- Adjustable steering column
- Adjustable lumbar support for both front seats
- Height adjustment for both front seats
- Peugeot wheeltrims and side protection strips
- Tinted windows and high level brake light
- Deadlocks and full size spare wheel
- Radio with SWC/BT/USB/Aux input. Day running lights
- Full tank of diesel

Specification includes

Peugeot steel high roof with 1.91M (75") of headroom.

Reclining, swivelling front seats with headrests and arms.

The supremely comfortable lounge seating quickly and easily converts in to two large single beds one 76" x 33" and the other 73" x 27" with room to move between the beds to allow access to the front swivel seats or to the kitchen and bathroom. Alternatively the same beds will also form a generous size double bed 76" x 60". Large capacity storage under the rear seat.

Two LED downlighters for cab seats and two LED downlighters over the sliding side door. Two adjustable LED bedhead reading lights and one at rear of lounge. Three LED Strip lights with dual level output for background lighting.

Additional rear speakers.

Wide electric step at the side loading door with buzzer.

All seating is covered with a high quality fabric of your choice selected from a wide range of sample books with different colours and patterns. Two matching pillow size cushions and two scatter cushions.

Choice of carpet or vinyl flooring, work tops and door finishes.

Large locking strongbox beneath passenger seat.

Three Seitz S4 top hinged windows and one sliding window in the lounge area; sliding window in the kitchen. All windows are double glazed with cassette blinds and flyscreens. Interior insulated covers for cab area. Heki 3 roof light with cassette roller blind and flyscreen.

High level angled lockers with lights on the righthand side. Over-cab storage. Large hanging wardrobe with light.

Two tables are provided one free standing table and a smaller cantilever leg for use in the cab when the seats are swivelled.

In the kitchen

Dometic RM8401 - 3-way, 90L fridge, with freezer compartment or a 12V 85L compressor fridge or a Dometic 5310 60L 3-way fridge all with a three burner hob and integrated flush lid with storage drawer. Option of a Smev 20L oven with grill at low level with a 85L compressor fridge or 60L, 3-way fridge. Option of an eye level Smev 20L oven with grill with 90L or 100L 3-way fridges.

Optional externally accessed rear storage area. Dimensions - 515mm (W) x 580mm (D) x 365mm (H) only available with a 65L compressor fridge - no low level oven or drawer option.

Combined sink and drainer fed with hot & cold water pumped from a 16 gallon inboard tank.

Generous high and low level cupboards housing a four place melamine crockery set, four glasses, slide-out tray with cutlery and chopping board. Waste bag holder.

One LED Strip light and two spot lights over the worktop, combined sink and drainer. A further LED Strip light over the hob and cooker.

12V ventilator fan with flyscreen.

Three double glazed windows with cassette blind and flyscreens

In the bathroom

Generous size fixed GRP washbasin with combined mixer tap with pull out shower head. Ample storage in cupboard under the washbasin and in the eye level lockers.

Dometic CT 4050 Ceramic bowl cassette toilet with electric flushing. The cassette has an extending handle & wheels.

Hot air outlet. Door retaining catch.

5-way roof vent with integral blind and flyscreen.

Large mirror, shower curtain, toilet roll holder & soap dispenser.

Towel ring, toothbrush and mug holder and two coat hooks.

LED Strip light with dual level output for background lighting.

Robust GRP shower tray.

General equipment

10 Kg (25 litre) LPG underfloor gas tank with level indicator.

Diesel and mains powered Webasto Thermo Top Evo heater, 7Kw combined space and water heating system. The heating can be used whilst driving.

Variable burner technology allows stepless power output for stable temperature management with low noise and 12v power consumption. Rapid heat up of hot water with high capacity thermostatically controlled hot water.

Two heater outlets in the lounge area and one in the kitchen

Fully winterised for all the year round camping

Walls and ceiling are insulated with a 50mm thick layer of Knauf multi-layered insulation. Insulated floor. Semi rigid & insulated plumbing.

Mains hook-up with a 25 metre cable, UK & continental adaptors, heavy duty waterproof storage bag for cables etc.

Four 230v sockets, two 12v sockets & one double USB point.

12 volt control system:

- Victron BMV700 energy manager.
- Accurate fresh and waste water level indicators.
- Allows charging of vehicle battery when auxiliary batteries are being charged from mains or solar panel (if fitted).

Victron Blue Power 30A switch-mode battery charger.

Two Haze 105AH Gel leisure auxiliary batteries.

10 gallon waste tank. Twelve interior lights.

A comprehensive Safety Pack comprising carbon monoxide detector, smoke detector, fire extinguisher, fire blanket, first aid kit, warning triangle & vehicle spare bulb kit.

Externally accessed "floor to ceiling" storage area, accessed through the drivers side rear door with adjustable shelving and two lights.

Storage area dimensions:

900mm (W) x 440mm (D) x 1720mm (H)
