

MURVI Pimento motorcaravan based on the NEW Ford Transit 35 Leader (3,500kg GVW) MWB L2H2 High Roof van in White with 2.0L Ford EcoBlue TDCi 105PS EU6d, FWD, 6-speed gearbox, ABS, ESP, EDCC, ASR, MBA, Hill start assist, PAS, sliding side door and hinged full height rear doors.

- Drivers and passengers airbags
- Remote central locking and electric windows
- Ford ICE pack 17 - 4.2" M/S TFT DAB/Radio - E/modem
- Electronic immobiliser and adjustable steering column
- 8-way adjustable front seats
- Day running lights and rear mudflaps
- Ford wheeltrims and side protection strips
- Tinted windows and high level brake light
- Deadlocks and Spare wheel
- Auto Start/Stop system and Full tank of diesel

Specification includes

Headroom with FWD 1.86M (73"Max). AWD or RWD 1.78M (5' 10"Max). See H3 higher roof option.

Swivelling front seats with head restraints and arms.

Pimento SB - Single bed option (no rear lap restraints)

Extremely versatile rear seating that quickly converts to a generous size double bed (75" x 54" max). With room to move from the cab to the rear without climbing over the bed. The main seat can easily be moved from the sideways settee position to form an alternative "dinette layout" with the seat facing forward. **Seat belts are optional for this position.** The bed can also be made from this position.

Large capacity storage under the rear seat.

Locking strongbox beneath passenger seat.

Two LED downlighters for cab seats and two over the sliding side door. Two adjustable LED bedhead reading lights and one at rear of lounge. Two LED Strip lights with dual level output for background lighting. Additional rear speakers.

Wide electric step at the side loading door with warning buzzer.

All the seating is covered with a high quality fabric of your choice selected from a huge range of sample books with different colours and patterns. Two matching pillow size cushions.

Choice of carpet or vinyl flooring, work tops and door finishes.

Large locking strong box under passengers seat.

Two wide Seitz S4 top hinged windows in the lounge area; sliding window in the kitchen. All windows are double glazed with cassette blinds and flyscreens. Cab windscreen curtain.

Midi Heki roof light with cassette roller blind and flyscreen.

High level angled lockers with lights below, on the righthand side. Large hanging wardrobe with light.

Two tables are provided one free standing table and a smaller cantilever leg for use in the cab when the seats are swivelled.

Option of a reduced depth wardrobe (if a TV is specified a smaller Avtex L168DRS has to be fitted)

In the kitchen

Dometic RM10.5T - 3-way, 93L AES fridge or 12V 85L compressor fridge or Dometic 5310 60L 3-way fridge all with a three burner hob and integrated flush lid with storage drawer. Option of a Smev 20L oven with grill at low level with a 85L compressor fridge or RM5310, 60L, 3-way fridge (**Low level 20L oven & grill is only available with Front Wheel Drive - FWD**). Storage drawer only available with FWD.

Optional externally accessed rear storage area. Dimensions - 515mm (W) x 580mm (D) x 365mm (H) only available with a 65L compressor fridge - no low level oven or drawer option.

Combined sink and drainer fed with hot & cold water pumped from a 16 gallon inboard tank.

Generous high and low level cupboards housing a four place melamine crockery set, slide-out tray with cutlery and chopping board. Waste bag holder.

One LED Strip light and one LED down light over the worktop, combined sink and drainer. LED Strip light over the hob and cooker.

12V ventilator fan with flyscreen.

Two double glazed windows with cassette blinds and flyscreens.

In the bathroom

Generous size fixed GRP washbasin with combined mixer tap with pull out shower head that will extend through rear access door for external use. Ample storage in cupboard under the washbasin and in the eye level lockers.

Dometic CT 4050 Ceramic bowl cassette toilet with electric flushing. The cassette has an extending handle & wheels.

Hot air outlet. Door retaining catch and two coat hooks.

Roof vent with integral blind and flyscreen.

Large mirror, shower curtain, toilet roll holder & soap dispenser.

Full height rear access door to shower and toilet from outside.

LED Strip light with dual level output for background lighting.

Double glazed window with cassette blinds and flyscreens.

Robust GRP shower tray.

General equipment

12 Kg (30 litre) LPG underfloor gas tank with level indicator. Gas tank capacity for AWD or RWD 10Kg (25 litre)

Diesel and mains powered Webasto Dual Top ST 8, 8Kw combined space and water heating system (10L). The heating can be used whilst driving. Mains heating gives the option of 1 or 2Kw power consumption.

Programmable heater timer allows full 24/7 programming of heating and hot water. Frost Protection mode for winter use.

Variable burner technology allows stepless power output for stable temperature management with very low noise and 12v power consumption.

Two heater outlets in the lounge area and one in the kitchen

Fully winterised for all the year round camping

Walls and ceiling are insulated with a 50mm thick layer of Knauf multi-layered insulation. Insulated floor. Semi rigid & insulated plumbing.

Mains hook-up with a 25 metre cable, UK & continental adaptors, heavy duty waterproof storage bag for cables etc.

Four 230v sockets, one 12v socket & two double USB points.

12 volt control system:

- Battery monitor.
- Accurate fresh and waste water level indicators.
- Allows charging of vehicle battery when auxiliary batteries are being charged from mains or solar panel (if fitted).

12v DC-DC 30A Charger - 20A switch-mode battery charger.

150Ah Lithium battery.

10 gallon waste tank. Twelve interior lights.

A comprehensive Safety Pack comprising carbon monoxide detector, smoke detector, fire extinguisher, fire blanket, first aid kit and warning triangle..

MURVI Piccolo motorcaravan based on the "NEW" Fiat Ducato 35 (3,500kg GVW) MWB High Roof van with 2.2L 140 Multijet III Euro 6D TD, 6-speed gearbox, ABS, ESC, ASR, EBA, Hill hold, PAS, sliding side door and hinged full height rear doors.

- Drivers and passengers airbags
- Remote central locking and electric windows
- Electrically adjustable door mirrors
- Electronic immobiliser and adjustable steering column
- Adjustable lumbar support for both front seats
- Height adjustment for front seats
- Fiat wheeltrims and side protection strips
- Tinted windows and high level brake light
- Deadlocks and spare wheel
- UConnect 5" screen (no touch screen) DAB Radio BT& USB
- EcoPack (Start/Stop) 90L Fuel tank

Specification includes

Fiat steel high roof with 1.91M (75") of headroom.

Reclining, swivelling front seats with headrests and arms.

The rear forward facing seat has two inertia reel 3-point belts and headrests giving a double bed, 75"x 54".

Large capacity storage under the rear seat.

Two LED downlighters for cab seats and two over the sliding side door. Two adjustable LED bedhead reading lights and one at rear of lounge. Two LED Strip lights with dual level output for background lighting.

Additional rear speakers.

Wide electric step at the side loading door with warning buzzer.

All the seating is covered with a high quality fabric of your choice selected from a huge range of sample books with different colours and patterns.

Two matching pillow size cushions.

Choice of carpet or vinyl flooring, Kitchen worktops and door finishes.

Large locking strongbox beneath passenger seat.

Two wide Seitz S4 top hinged windows in the lounge area; sliding window in the kitchen. All windows are double glazed with cassette blinds and flyscreens. Interior insulated covers for cab area.

Heki 3 roof light with cassette roller blind and flyscreen.

High level angled lockers with lights below, on the righthand side. Overcab storage. Large hanging wardrobe with light.

Two table tops (small & large) are provided with a cantilever table leg for use in the cab and island leg table for the rear.

In the kitchen

Dometic RM10.5T - 3-way, 93L AES fridge or 12V 85L compressor fridge or Dometic 5310 60L 3-way fridge all with a three burner hob and integrated flush lid with storage drawer. Option of a Smev 20L oven with grill at low level with a 85L compressor fridge or 60L, 3-way fridge. Option of an eye level Smev 20L oven with grill with 93L, 3-way AES fridge.

Optional externally accessed rear storage area. Dimensions - 515mm (W) x 580mm (D) x 365mm (H) only available with a 65L compressor fridge - no low level oven or drawer option.

Combined sink and drainer fed with hot & cold water pumped from a 16 gallon inboard tank.

Generous high and low level cupboards housing a four place melamine crockery set, slide-out tray with cutlery and chopping board. Waste bag holder.

One LED Strip light with dual level output over the worktop and a further LED Strip light over the hob and cooker.

12V ventilator fan with flyscreen.

Two double glazed windows with cassette blind and flyscreen

In the bathroom

Generous size fixed GRP washbasin with combined mixer tap with pull out shower head that will extend through rear access door for external use. Ample storage in cupboard under the washbasin and in the eye level lockers.

Dometic CT 4050 Ceramic bowl cassette toilet with electric flushing. The cassette has an extending handle & wheels.

Hot air outlet. Door retaining catch and two coat hooks.

Roof vent with integral blind and flyscreen.

Large mirror, shower curtain, toilet roll holder & soap dispenser.

Full height rear access door to shower and toilet from outside.

LED Strip light with dual level output for background lighting.

Double glazed window with cassette blinds and flyscreens.

Robust GRP shower tray.

General equipment

10 Kg (25 litre) LPG underfloor gas tank with level indicator.

Diesel and mains powered Webasto Dual Top ST 8, 8Kw combined space and water heating system (10L). The heating can be used whilst driving. Mains heating gives the option of 1 or 2Kw power consumption.

Programmable heater timer allows full 24/7 programming of heating and hot water. Frost Protection mode for winter use.

Variable burner technology allows stepless power output for stable temperature management with very low noise and 12v power consumption.

Two heater outlets in the lounge area and one in the kitchen

Fully winterised for all the year round camping

Walls and ceiling are insulated with a 50mm thick layer of Knauf multi-layered insulation. Insulated floor. Semi rigid & insulated plumbing.

Mains hook-up with a 25 metre cable, UK & continental adaptors, heavy duty waterproof storage bag for cables etc.

Four 230v sockets, one 12v sockets & two double USB point.

12 volt control system:

- Battery monitor.
- Accurate fresh and waste water level indicators.
- Allows charging of vehicle battery when auxiliary batteries are being charged from mains or solar panel (if fitted).

12v DC-DC 30A Charger - 20A switch-mode battery charger.

150Ah Lithium battery.

10 gallon waste tank. Twelve interior lights.

A comprehensive Safety Pack comprising carbon monoxide detector, smoke detector, fire extinguisher, fire blanket, first aid kit and warning triangle.

MURVI Morello motorcaravan based on the "NEW" Fiat Ducato 35 (3,500kg GVW) LWB High Roof van with 2.2L 140 Multijet III Euro 6D TD, 6-speed gearbox, ABS, ESC, ASR, EBA, Hill hold, PAS, sliding side door, and full height hinged rear doors.

- Drivers and passengers airbags
- Remote central locking and electric windows
- Electrically adjustable door mirrors
- Electronic immobiliser and adjustable steering column
- Adjustable lumbar support for both front seats
- Height adjustment for front seats
- Fiat wheeltrims and side protection strips
- Tinted windows and high level brake light
- Deadlocks and Spare wheel
- UConnect 5" screen (no touch screen) DAB Radio BT& USB
- EcoPack (Start/Stop) 90L Fuel tank

Specification includes

Fiat steel high roof with 1.91M (75") of headroom.

Swivelling front seats with head restraints and arms.

Extremely versatile rear seating that quickly converts to a generous size double bed (79" x 54" max). With room to move from the cab to the rear without climbing over the bed. The main seat can easily be moved from the sideways settee position to form an alternative "dinette layout" with the seat facing forward. **Seat belts are optional for this position.** The bed can also be made from this position. There is an option for a 60" wide bed.

Large capacity storage under the rear seats.

Two LED downlighters for cab seats and two over the sliding side door. Two LED bedhead reading lights and one at rear of lounge. Three LED Strip lights for back ground lighting.

Additional rear speakers.

Wide electric step at the side loading door with warning buzzer.

Seating is covered with a high quality fabric of your choice selected from a wide range of sample books with different colours and patterns.

Two matching pillow size cushions and two scatter cushions.

Choice of carpet or vinyl flooring, worktops and door finishes.

Large locking strongbox beneath passenger seat.

Three Seitz S4 top hinged windows and one sliding windows in the lounge area; sliding window in the kitchen. All windows are double glazed with cassette blinds and flyscreens. Interior insulated covers for cab area. Heki 3 roof light with cassette roller blind and flyscreen.

High level angled lockers with lights on the righthand side. Over-cab storage. Large hanging wardrobe with light.

Two tables are provided one free standing table and a smaller cantilever leg for use in the cab when the seats are swivelled.

In the kitchen

Dometic RM8401 - 3-way, 93L AES fridge, with freezer compartment or a 12V 85L compressor fridge or a Dometic 5310 60L 3-way fridge all with a three burner hob and integrated flush lid with storage drawer. Option of a Smev 20L oven with grill at low level with a 85L compressor fridge or 60L, 3-way fridge. Option of an eye level Smev 20L oven with grill with 93L, 3-way AES fridge.

Optional externally accessed rear storage area. Dimensions - 515mm (W) x 580mm (D) x 365mm (H) only available with a 65L compressor fridge - no low level oven or drawer option.

Combined sink and drainer fed with hot & cold water pumped from a 16 gallon inboard tank.

Generous high and low level cupboards housing a four place melamine crockery set, four glasses, slide-out tray with cutlery and chopping board. Waste bag holder.

One LED Strip light over the worktop and two spot lights, combined sink and drainer. LED Strip light over the hob and cooker.

12V ventilator fan with flyscreen.

Three double glazed windows with cassette blind and flyscreens

In the bathroom

Generous size fixed GRP washbasin with combined mixer tap with pull out shower head that will extend through rear access door for external use. Ample storage in cupboard under the washbasin and in the eye level lockers.

Dometic CT 4050 Ceramic bowl cassette toilet with electric flush-in. The cassette has an extending handle & wheels.

Hot air outlet. Door retaining catch and two coat hooks.

Roof vent with integral blind and flyscreen.

Large mirror, shower curtain, toilet roll holder & soap dispenser

Full height rear access door to shower and toilet from outside.

LED Strip light with dual level output for background lighting.

Double glazed window with cassette blinds and flyscreens.

Robust GRP shower tray.

General equipment

10 Kg (25 litre) LPG underfloor gas tank with level indicator.

Diesel and mains powered Webasto Dual Top ST 8, 8Kw combined space and water heating system (10L). The heating can be used whilst driving. Mains heating gives the option of 1 or 2Kw power consumption.

Programmable heater timer allows full 24/7 programming of heating and hot water. Frost Protection mode for winter use.

Variable burner technology allows stepless power output for stable temperature management with very low noise and 12v power consumption.

Two heater outlets in the lounge area and one in the kitchen

Fully winterised for all the year round camping

Walls and ceiling are insulated with a 50mm thick layer of Knuaf multi-layered insulation. Insulated floor. Semi rigid & insulated plumbing.

Mains hook-up with a 25 metre cable, UK & continental adaptors, heavy duty waterproof storage bag for cables etc.

Four 230v sockets, two 12v sockets & one double USB point.

12 volt control system:

- Battery monitor.
- Accurate fresh and waste water level indicators.
- Allows charging of vehicle battery when auxiliary batteries are being charged from mains or solar panel (if fitted).

12v DC-DC 30A Charger - 20A switch-mode battery charger.

150Ah Lithium battery.

10 gallon waste tank. Twelve interior lights.

A comprehensive Safety Pack comprising carbon monoxide detector, smoke detector, fire extinguisher, fire blanket, first aid kit and warning triangle..

Fiat Murvi Pimento XL

Price List with effect from September 2021

MURVI Pimento XL motorcaravan based on the "NEW" Fiat Ducato 35 (3,500kg GVW) LWB High Roof van with 2.2L 140 Multijet III Euro 6D TD, 6-speed gearbox, ABS, ESC, ASR, EBA, Hill hold, PAS, sliding side door, and full height hinged rear doors.

- Drivers and passengers airbags
- Remote central locking and electric windows
- Electrically adjustable door mirrors
- Electronic immobiliser and adjustable steering column
- Adjustable lumbar support for both front seats
- Height adjustment for front seats
- Fiat wheeltrims and side protection strips
- Tinted windows and high level brake light
- Deadlocks and Spare wheel
- UConnect 5" screen (no touch screen) DAB Radio BT& USB
- EcoPack (Start/Stop) 90L Fuel tank

Specification includes

Fiat steel high roof with 1.91M (75") of headroom.

Swivelling front seats with head restraints and arms.

Extremely versatile rear seating that quickly converts to a generous size double bed (79" x 54" max). With room to move from the cab to the rear without climbing over the bed. The main seat can easily be moved from the sideways settee position to form an alternative "dinetto layout" with the seat facing forward. **Seat belts are optional for this position.** The bed can also be made from this position. There is an option for a 60" wide bed.

Large capacity storage under the rear seats.

Two LED downlighters for cab seats and two over the sliding side door. Two LED bedhead reading lights and one at rear of lounge. Three LED Strip lights for back ground lighting. Additional rear speakers.

Wide electric step at the side loading door with warning buzzer.

Seating is covered with a high quality fabric of your choice selected from a wide range of sample books with different colours and patterns. Two matching pillow size cushions

Choice of carpet or vinyl flooring, worktops and door finishes.

Large locking strongbox beneath passenger seat.

Three Seitz S4 top hinged windows and one sliding windows in the lounge area; sliding window in the kitchen. All windows are double glazed with cassette blinds and flyscreens. Interior insulated covers for cab area. Heki 3 roof light with cassette roller blind and flyscreen.

High level angled lockers with lights on the righthand side. Over-cab storage. Large hanging wardrobe with light.

Two tables are provided one free standing table and a smaller cantilever leg for use in the cab when the seats are swivelled.

Option of a reduced depth wardrobe (if a TV is specified a smaller Avtex L168DRS has to be fitted)

In the kitchen

Dometic RM10.5T - 3-way, 93L AES fridge, with freezer compartment or a 12V 85L compressor fridge or a Dometic 5310 60L 3-way fridge all with a three burner hob and integrated flush lid with storage drawer. Option of a Smev 20L oven with grill at low level with a 85L compressor fridge or 60L, 3-way fridge. Option of an eye level Smev 20L oven with grill with 93L, 3-way AES fridge.

Optional externally accessed rear storage area. Dimensions - 515mm (W) x 580mm (D) x 365mm (H) only available with a 65L compressor fridge - no low level oven or drawer option.

Combined sink and drainer fed with hot & cold water pumped from a 16 gallon inboard tank.

Generous high and low level cupboards housing a four place melamine crockery set, four glasses, slide-out tray with cutlery and chopping board. Waste bag holder.

One LED Strip light and two spot lights over the worktop, combined sink and drainer. LED Strip light over the hob and cooker.

12V ventilator fan with flyscreen.

Three double glazed windows with cassette blind and flyscreens

In the bathroom

Generous size fixed GRP washbasin with combined mixer tap with pull out shower head. Ample storage in cupboard under the washbasin and in the eye level lockers.

Dometic CT 4050 Ceramic bowl cassette toilet with electric flushing. The cassette has an extending handle & wheels.

Hot air outlet. Door retaining catch and two coat hooks.

Roof vent with integral blind and flyscreen.

Large mirror, shower curtain, toilet roll holder, soap dispenser.

LED Strip light with dual level output for background lighting.

Robust GRP shower tray.

General equipment

10 Kg (25 litre) LPG underfloor gas tank with level indicator.

Diesel and mains powered Webasto Dual Top ST 8, 8Kw combined space and water heating system (10L). The heating can be used whilst driving. Mains heating gives the option of 1 or 2Kw power consumption.

Programmable heater timer allows full 24/7 programming of heating and hot water. Frost Protection mode for winter use.

Variable burner technology allows stepless power output for stable temperature management with very low noise and 12v power consumption.

Two heater outlets in the lounge area and one in the kitchen

Fully winterised for all the year round camping

Walls and ceiling are insulated with a 50mm thick layer of Knauf multi-layered insulation. Insulated floor. Semi rigid & insulated plumbing.

Mains hook-up with a 25 metre cable, UK & continental adaptors, heavy duty waterproof storage bag for cables etc.

Four 230v sockets, two 12v sockets & one double USB point.

12 volt control system:

- Battery monitor.
- Accurate fresh and waste water level indicators.
- Allows charging of vehicle battery when auxiliary batteries are being charged from mains or solar panel (if fitted).

12v DC-DC 30A Charger - 20A switch-mode battery charger.

150Ah Lithium battery.

10 gallon waste tank. Twelve interior lights.

A comprehensive Safety Pack comprising carbon monoxide detector, smoke detector, fire extinguisher, fire blanket, first aid kit and warning triangle.

Externally accessed "floor to ceiling" storage area, accessed through the drivers side rear door with adjustable shelving and LED light. Access hatch from the bathroom to the top half of the rear storage area

Storage area dimensions:

900mm (W) x 680mm (D) x 1720mm (H)

Three LED Strip lights with dual level output for background lighting. Additional rear speakers. Wide electric step at the side loading door with buzzer.

All seating is covered with a high quality fabric of your choice selected from a wide range of sample books with different colours and patterns.

Two matching pillow size cushions and two scatter cushions.

Choice of carpet or vinyl flooring, worktops and door finishes.

Large locking strongbox beneath passenger seat.

Three Seitz S4 top hinged windows and one sliding windows in the lounge area; sliding window in the kitchen. All windows are double glazed with cassette blinds and flyscreens. Interior insulated covers for cab area. Heki 3 roof light with cassette roller blind and flyscreen.

High level angled lockers with lights on the righthand side. Over-cab storage. Large hanging wardrobe with light.

Two tables are provided - one free standing table and a smaller cantilever leg for use in the cab when the seats are swivelled.

In the kitchen

Dometic RM10.5T - 3-way, 93L AES fridge, with freezer compartment or a 12V 85L compressor fridge or a Dometic 5310 60L 3-way fridge all with a three burner hob and integrated flush lid with storage drawer. Option of a Smev 20L oven with grill at low level with a 85L compressor fridge or 60L, 3-way fridge. Option of an eye level Smev 20L oven with grill with 93L, 3-way AES fridge.

Combined sink and drainer fed with hot & cold water pumped from a 16 gallon inboard tank.

Generous high and low level cupboards housing a four place melamine crockery set, four glasses, slide-out tray with cutlery and chopping board. Waste bag holder.

One LED Strip light and two spot lights over the worktop, combined sink and drainer. A further LED Strip light over the hob and cooker.

12V ventilator fan with flyscreen.

Three double glazed windows with cassette blind and flyscreens

In the bathroom

Generous size fixed GRP washbasin with combined mixer tap with pull out shower head. Ample storage in cupboard under the washbasin and in the eye level lockers.

Dometic CT 4050 Ceramic bowl cassette toilet with electric flushing. The cassette has an extending handle & wheels.

Hot air outlet. Door retaining catch and two coat hooks.

Roof vent with integral blind and flyscreen.

Large mirror, shower curtain, toilet roll holder & soap dispenser.

LED Strip light with dual level output for background lighting.

Robust GRP shower tray.

General equipment

10 Kg (25 litre) LPG underfloor gas tank with level indicator.

Diesel and mains powered Webasto Dual Top ST 8, 8Kw combined space and water heating system (10L). The heating can be used whilst driving. Mains heating gives the option of 1 or 2Kw power consumption.

Programmable heater timer allows full 24/7 programming of heating and hot water. Frost Protection mode for winter use.

Variable burner technology allows stepless power output for stable temperature management with very low noise and 12v power consumption.

Two heater outlets in the lounge area and one in the kitchen

Fully winterised for all the year round camping

Walls and ceiling are insulated with a 50mm thick layer of Knauf multi-layered insulation. Insulated floor. Semi rigid & insulated plumbing.

Mains hook-up with a 25 metre cable, UK & continental adaptors, heavy duty waterproof storage bag for cables etc.

Four 230v sockets, two 12v sockets & one double USB point.

12 volt control system:

- Battery monitor.
- Accurate fresh and waste water level indicators.
- Allows charging of vehicle battery when auxiliary batteries are being charged from mains or solar panel (if fitted).

12v DC-DC 30A Charger - 20A switch-mode battery charger.

150Ah Lithium battery.

10 gallon waste tank. Twelve interior lights.

A comprehensive Safety Pack comprising carbon monoxide detector, smoke detector, fire extinguisher, fire blanket, first aid kit and warning triangle.

Externally accessed "floor to ceiling" storage area, accessed through the drivers side rear door with adjustable shelving and LED light. Access hatch from the bathroom to the top half of the rear storage area
